**SUBJECT: A seminar/ workshop by Ankit Fadia for Graphic Era Hill & Graphic Era University**

Respected Sir,

Ankit Fadia is a world renowned computer security expert and ethical hacker who has trained companies, managers, IT staff and college students all over the world and the country on how to effectively solve cyber security issues.

An initial correspondence with Neeta Aggarwal, Business Development Manager--Events and training at Ankit Fadia -- E secure has indicated that Ankit Fadia will be available in August for a 1 day seminar/ workshop at Graphic Era.

The pricing for his workshop has been indicated in the brochure attached. Attached is also the proof of Neeta Aggarwal.

A workshop by Ankit Fadia at Graphic Era will put us at par with world class institutes and enhance the employability factor of all students participating.

Looking for your kind approval to proceed with further talks.

Thanking You in advance.
